Tournament Report

The 2026 PTTC Junior Handicap Tournament produced a competitive evening of table tennis, with the handicap format giving all six junior players the opportunity to challenge one another across the group and knockout stages.

Charlie Roger Smith did not show, however, Filip Godzisz was waiting in the wings and filled the slot. Thank you Filip.

The tournament began with two groups of three players. Group A consisted of Wiktor Jezak, Kuba Jezak and Luca Burch, while Group B featured Henry Cook, Joel Carter and Filip Godzisz. All three games were played in each match, with the appropriate handicap applied to balance the contests.

In Group A, Luca Burch recorded wins against both Wiktor Jezak and Kuba Jezak to finish first in the group. Kuba took second place after beating Wiktor, while Wiktor progressed to the Plate Final. In Group B, Henry Cook produced two 3-0 victories against Filip Godzisz and Joel Carter to finish top, with Joel taking second place and Filip progressing to the Plate.

The first Cup semi-final brought Luca Burch and Joel Carter together. Joel won the opening game 11-5 after adjustment, before a very close second game finished 11-11 on the recorded sheet. Luca took the third game 12-9, with Joel progressing to the Cup Final from the semi-final.

In the second Cup semi-final, Henry Cook faced Kuba Jezak. Kuba began each game with a one-point handicap, but Henry controlled the match and won all three adjusted games 11-5, 11-5 and 11-8 to reach the final.

The Cup Final saw Joel Carter take on Henry Cook. Joel started each game with a one-point handicap, but Henry produced a strong performance to take all three games. The adjusted scores were recorded as 11-5, 11-10 and 11-7 in Henry's favour, giving Henry Cook the 2026 Junior Handicap Cup title with Joel Carter finishing as runner-up.

The Shield Final was contested by Wiktor Jezak and Filip Godzisz, with Filip receiving a three-point starting handicap. Wiktor took the first two adjusted games 11-10 and 11-10, before Filip won the third 14-10. That gave Wiktor Jezak the match 2-1 and the 2026 Junior Handicap Shield title, with Filip Godzisz finishing as runner-up.
